

# IWSHM 2021

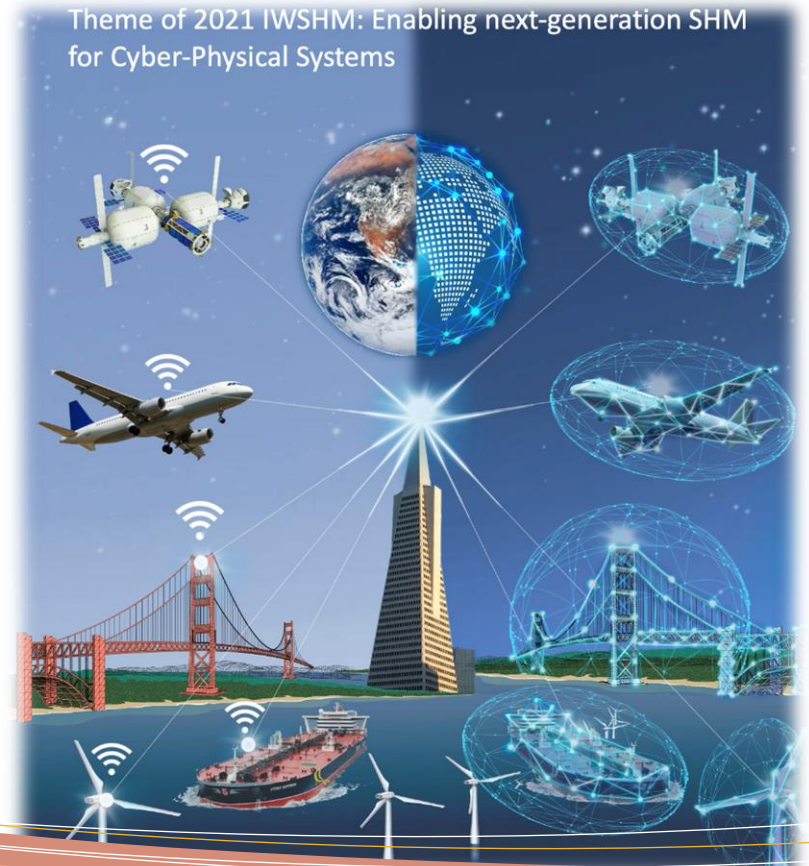

13<sup>th</sup> International Workshop on Structural Health Monitoring  
 August 31-September 2, 2021  
 Stanford University, CA

## Enabling Next-Generation SHM for Cyber-Physical Systems

### Invitation to Partnership

Becoming a sponsor at IWSHM is an exclusive opportunity to showcase your organization to the great structural health monitoring community!

*IWSHM is a biennial workshop that aims to assess the current state-of-the-art intelligent sensing/diagnostic technologies that are critical to provide real-time monitoring and state awareness of all structural platforms, from aerospace to civil infrastructure mechanical systems. The workshop is also intended to promote communication exchange and to showcase the latest development in SHM technologies for practical applications.*

Theme of 2021 IWSHM: Enabling next-generation SHM for Cyber-Physical Systems

Sponsor Benefits	Gold \$10k	Silver \$5k	Bronze \$3k
Logo Banner Display at Event	Award Banquet or BBQ Reception Night	Lunch	Breakfast
Promotional Video Shown (5 minutes)	✓		
Logo on Napkins	✓	✓	
Company Logo and Description on IWSHM Website	✓	✓	✓
Logo Recognition in IWSHM Program Booklet	✓	✓	✓
Advertisement in IWSHM Program Booklet	1 Page	½ Page	¼ Page
Complimentary Registration Tickets	3	2	1

*Your Organization is invited to partner with IWSHM 2021. For questions and additional information, our contact information and website are listed below.*

#### Address

Structures and Composite Laboratory (SACL)  
 Department of Aeronautics and Astronautics  
 William F. Durand Building, Room 054  
 496 Lomita Mall, Stanford University
